

Paper sizes

Here you will find reference to all common paper sizes and peripherals such as envelopes:

Common Paper Sizes:

- A0 - 841mm x 1189mm
- A1 - 594mm x 841mm
- A2 - 420mm x 594mm
- A3 - 297mm x 420mm
- A4 - 210mm x 297mm
- A5 - 148mm x 210mm
- A6 - 105mm x 148mm
- DL - 99mm x 210mm (a third of A4)

A4 is A3 cut into two equal halves, where the A4 sheet long dimension is the same as the short dimension of A3, and the A4 short dimension is half the A3 long dimension. Thus A3 measures 297mm x 420mm and A4 measures 210mm x 297mm, where 210mm is half the length of 420mm and rounded down to the nearest millimetre.

Common Envelope Sizes:

- C6 - 114mm x 162mm
- C5 - 162mm x 229mm
- C4 - 229mm x 324mm
- C3 - 324mm x 458mm
- DL - 110mm x 220mm
